

NESTLÉ COCOA POTENTIAL COLLABORATIVE PARTNERSHIPS

Introduction organized between Zakari, Red Cross, and Olga and Matilda, Sustainability Managers at AgroEcom (one of Nestlé cocoa buyers). **Objective** -> Discuss potential exchange of data related to Nestlé cocoa farming communities.

Nestlé cocoa supply chain is complex. Many stakeholders involved and many pre-competitive issues to tackle. There are numerous initiatives from all sides and there is a growing understanding of the need to join forces through collaborative plan of actions. One of my assignments during my mission in Ghana is to introduce the Red Cross Team to some of our key local partners.
