

WEEK 4 - SUMMARY

This fourth and last week: 1/ visited the targeted 13

communities of the Ashanti region where we performed 200+ households' surveys 2/ initiated discussions about prospective collaboration between The Red Cross and one of our suppliers 3/ organized a debrief with senior representatives from

1st week - dedicated to 1/ discover the context of the mission, 2/ meet the different stakeholders involved: The Red Cross, Nestlé colleagues, cocoa suppliers, cocoa communities, NGO, etc. 3/ organize the next 3 weeks. **2nd week** - essentially focused on training 25 volunteers on Water and Sanitation, Health and Nutrition and the methodology of the survey to be conducted during week 3 and 4 in the Nestlé cocoa farming communities of the Eastern and Ashanti regions. **3rd week** - visited 38 targeted communities in the Eastern region where we performed almost 800 households' surveys.

Nestlé and The Red Cross 4/ attended an awareness event about the issue of cholera and the importance of washing hands 5/ visited Nestlé factory in Tema.

8h00 - Sunday 29th November—Team ready to departure for the Ashanti region

Our 4 Red Cross cars heading to Kumasi - capital of Ashanti

**Wednesday December 2nd - our very last community visit -
We have become experts in community mapping !**

Monday December 30th - Initiating discussions about potential collaboration between the Red Cross and one of Nestlé cocoa suppliers who is buying in the surveyed communities.

Friday 4th - Bank holiday / Ghanaian National Farmers Day - Accra Red Cross event, Team factory visit, Tema harbour visit

WEEK 4 - PICTURES BEST-OF

Friday 4th evening - Accra airport, I fell in love with below paintings displayed on the walls of the registration hall.
