

THE INTERNATIONAL RED CROSS CORE TEAM

Zakari (Niger), Program Director. Oversees both emergency and developmental water and sanitation programs in West and Central Africa. Has been running the Nestlé / Red Cross partnership in Cote d'Ivoire from 2008 to 2015.

Gerhard (Germany). Water and sanitation, health and shelter coordination. A disaster relief expert in the most critical areas of the world.

Abel (Namibia). Water and sanitation expert with exposure in Irak, Kenya, Philippines, Zimbabwe, Angola and Lebanon.

Meghan (US), Nutrition and Health expert with experience in India and a specialisation in low and middle income countries.

One day, Meghan, Gerhard and I found ourselves dressed this way!

By the car, with Zakari and our 4 Red Cross drivers, Patrick, Abebiou, Peter and Richmond.
